Terms and Conditions of Enrolment

General

A prospective and/or enrolled international student acknowledges and agrees to the Terms and Conditions of Enrolment on signing the Offer and Acceptance Agreement.

The Terms and Conditions of Enrolment apply equally to a new and/or continuing student unless otherwise specified.

An application for refund for an international student must be authorised by the General Manager of GHEA or his or her nominee.

GHEA reserves the right to amend the Terms and Conditions of Enrolment at any time.

Where fees are paid by a party on behalf of the student, GHEA reserves the right to notify that party.

Students must pay their fee prior to commencing their study in each study period (semester) at GHEA.

GHEA is obliged to inform the Department of Home Affairs and Department of Education of any change of status where a student completes his or her program early, transfers to another provider, is excluded on academic grounds and fails to meet his or her visa conditions, defers or intermits his or her study or otherwise change the expected completion date of his or her study.

GHEA must not receive more than 50% of the total tuition fees for the program prior to program commencement where total program duration is more than 24 weeks unless the applicant is willing to do so.

Refund Policy (extracted). For full policy, please refer to <http://ghea.edu.au>

Student default refers to the circumstances where:

- the student does not start the course on the agreed course commencement date (and has not previously withdrawn); or
- the student withdraws from the course at the location (either before or after the agreed course commencement date); or
- GHEA refuses to provide, or continue providing, the course to the student at the location because of one or more of the following; or
- the student failed to pay the due amount to the course provider; or
- the student breached a condition of his/her student visa; or
- misbehavior by the student

Provider default refers to the circumstances where GHEA fails to start the course or the course ceases to be provided after commencement and no alternative course can be offered and accepted by the student.

Default day refers to the date specified on the student visa refusal letter, in the event that an international student is refused an Australian student visa. This day is not included in the count for the purposes of refund calculations.

Electronic Confirmation of Enrolment (CoE): This definition only applies for students who are in student visa at the time of enrolment. This is an official document printed via the PRISMS system on behalf of the Australian government confirming the enrolment of a student in a course. This document is required for an international student to apply for a student visa

Course Commencement Date for international students: Refers to the start date indicated in the first eCoE issued by GHEA to a student, OR the commencement date in the eCOE for which the student visa is granted. This does not refer to the deferred or subsequent eCoE.

Course Fees: The payment received by GHEA for providing the course to the students, which includes: tuition fees, course material fees and enrolment fee.

Other Fees: Other fees include, but are not limited to Overseas Student Health Cover (OSHC) and homestay/airport pickup fees (where applicable).

Non-tuition fees: Non-tuition fees cover items not directly related to tuition; this includes Material Fees.

The refund application will be processed within 20 working days of receipt of application. If application is successful, the refund will be paid to the student or another person nominated in writing by the student. If a credit card was used to make payment(s), GHEA will refund the amount on to that credit card. Refunds will be paid in Australian dollars (AUD\$) and a written statement detailing how any refund amount has been calculated will be provided.

Refund calculation in case of Provider Default and Student Visa Refusal After Course Commencement

The refund amount = weekly tuition fee x the number of weeks in the default period

The weekly tuition fee = total tuition fee for the course / number of calendar days in the course x 7. This amount is rounded up to the nearest whole dollar. The number of weeks in the default period = number of calendar days from the default day to the end of the period to which the payment relates / 7.

Refunds for international students in case of student default or withdraw will be made according to the following refund table. A refund processing fee of \$500 will apply to student withdrawal and student default.

Student refused an Australian Student Visa due to a fraud reason	No refund
Student refused an Australian Student Visa due to a non-fraud reason and has not started the course (refusal letter required)	100% refund a & 3

GHEA fails to start course or the course ceases to be provided after it starts (provider default)	100% refund b
Withdrawal notified in writing and received by GHEA 28 calendar days or more prior to course commencement (student default)	20% refund 1, 2

Students may transfer on one occasion to another GHEA course commencing within 15 working days of their original course without penalty. Refunds following cancellation of a transferred course will attract a further penalty of 20% of the total course fees in addition to the refund guidelines outlined above.

In some exceptional circumstance, students may apply to GHEA to transfer to the next intake of the same GHEA course. GHEA may approve the case at its discretion without applying penalty. Refund following cancellation of the same course will attract a further penalty of 20% in addition to the refund guidelines outlined above. For the refund calculation purpose, the course commencement date will be the original course commencement date.

Fee refunds will be made 14 calendar days after demand when GHEA defaults and within 28 calendar days after demand when the student defaults.

Students study more than one (1) course at GHEA

Students applying to start another course with GHEA are not allowed to commence until:

- The minimum payment related to tuition fee and material fee required as per the offer letter has been paid; and
- Any outstanding debts have been paid; and
- Has attended orientation at GHEA

Regulations governing International students

GHEA does not require the student to pay more than 50 per cent of tuition fees before a course starts, unless it is for a course of 25 weeks or less.

GHEA can accept more than 50 per cent of tuition fees before a course starts if the student, or the person responsible for paying the fees, chooses to pay more as indicated in the application form.

GHEA can request any remaining fees as per the payment plan set out in the written agreement with the student.

GHEA is obliged to inform the Department of Home Affairs in the events where an international student: completes his/her course(s) early; or transfers to another provider; or is excluded on academic grounds and consequently fails to meet his/her visa conditions; or defers or suspends his/her study or otherwise changes the expected duration of his/her study.

Should an international student, who commences the course whilst awaiting an approval for a student visa, decides to withdraw prior to receiving the visa approval, the student will not be entitled to a refund (refer to refund table).

In the unusual circumstance where an international student has not entered into a student acceptant agreement but already paid the tuition fees, the refund specifications as detailed in the refund table still apply.

An international student may not submit an application for refund at the same time of applying for a letter of release. A refund application will be accepted once the student has been granted a letter of release; in which case, the refund calculation will be based on the date the student was granted the letter of release.

Complaints and Appeals (For full policy, please refer to <http://ghea.edu.au>)

If a student is dissatisfied with the outcome of the refund application, he/she may access the process outlined in the Complaints and Appeals Policy and Procedure 7.

This policy, the student acceptance agreement and the availability of complaints and appeals processes, do not remove students' right to take action under Australia's consumer protection laws.
